## NEWS & VIEWS

December 2011

### MAYOR'S CORNER

Gosh, it's hard to believe that it is already December. Where has the year gone?! Anyway, I thought I'd take a look back at some of the highlights of 2011.

We started 2011 the same way we ended 2010 - cleaning up from the tornado that hit our community and the surrounding area on New Year's Eve. That event reminded me once again just how resilient our City is. It was so heartwarming to see so many neighbors helping neighbors. And while there are still parts of the region that are still struggling through the rebuilding process, the people of Fenton simply went to work and in just a few short months the repairs were completed.

In March, the Fenton community once again showed their generosity by supporting our tenth annual Mayor's Charity Ball. Thanks to you, we were able to raise over \$15,000 for area charities.

In April, you once again honored me by electing me Mayor. We also continued our efforts to try to change the way sales taxes are distributed in St. Louis County. While we were not successful in getting the final bill through the legislature in the last session, we did start a long-overdue discussion among the cities in the County. As we continue our fight, we now have several cities aligned with us. Please be assured we are nowhere near ending this effort.

We were all saddened in May by the passing of our friend and col-

league, Tim Trego. We still feel his presence at our meetings. And in November, we posthumously awarded Tim the John Fabick Community Service Award.

We spent a lot of time this year working on the Old Highway 141 project and the Gravois Road Bridge project. Unfortunately for the second year in a row the Meramec River was uncooperative, causing delays in both projects. Fortunately, we were able to reopen Old Highway 141 before the Christmas shopping season. And eventually we were able to resume work on the Gravois Road Bridge. The crews continue to work, preparing the deck surface to receive the concrete in the Spring.

In September we honored the 3,000 Americans who lost their lives in the terrorist attacks of September 11, 2001. Our special guest speaker was Kevin Whitehead. Kevin was in the World Trade Center when it was attacked, and his story touched everyone at the Heroes Memorial that day.

In October we hired our new Finance Director, Rick Snyder, just in time to start pulling together our 2012 budget. It appears that our financial situation has stabilized, and that we are not anticipating making further service reductions.

We are rapidly approaching my favorite time of year. So on behalf of everyone at City Hall, and from my family to yours, I want to wish you and your family a very Merry Christmas and a happy, healthy and prosperous New Year.

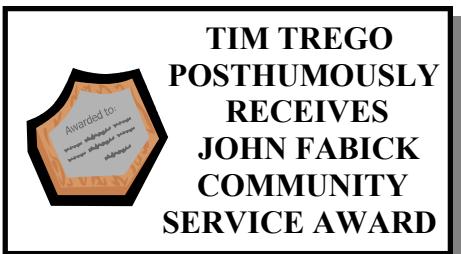

Mayor Dennis Hancock
