

# FREE E-Cycling (Electronic Recycling) and Metal Recycling

**Thursday, May 8, 2014**

**7:00 - 10:00 a.m.**

**South Bowles Parking Lot**

(Entrance #7, at Bowles and Horan)

The **Maritz Green Team**, Fenton Area Chamber of Commerce, City of Fenton, and St. Louis Green.com, in partnership with RNA Worldwide, are pleased to offer this **FREE** recycling collection event at Maritz.

**St. Louis Green.com** will share 10% of the gross proceeds to provide funds to purchase nutritious food for the 3000 hungry children nourished through **Operation Food Search's Operation Backpack** program.

## List of Materials RNA will accept (no fees charged):

- *Computers, monitors, printers, cables and peripherals (keyboards and mice)*
- *Networking equipment, servers, telecommunications, phones, clocks*
- *TV's (not acceptable if exposed tubes or external components showing or no back cover on tube TV), VCR's, stereos, audio and video equipment including cable and satellite boxes*
- *Blenders, toasters, irons, microwave ovens*
- *White goods: washers, dryers, dishwashers, furnaces*
- *Lawn equipment, tools, old mowers, tillers (**gas & oil must be removed**)*
- *Air conditioners, refrigerators, humidifiers and other Freon-containing devices*
- *Cell phones*
- *Any and all metal*

RNA guarantees DOD (standard data removal) from all reused electronic items. RNA also guarantees that those items not reused are physically destroyed by multi-point drilling or punching.
