Dear Potential Vendor:

The Olde Towne Fenton Farmers Market is now accepting applications for the 2016 season, which begins May 7th and runs through October 22nd. The Olde Towne Fenton Farmers Market is a community-based market supporting local farmers and serves as an accessible outlet to purchase a diverse selection of fresh, high quality produce. The market also showcases items such as eggs, meats, prepared foods, plants, flowers, arts/crafts and specialty items. The Olde Towne Fenton Farmers Market is a community gathering place to socialize and enjoy live music and events throughout the season.

The Olde Towne Fenton Farmers Market will be entering its fourth season. The market is located under the Olde Towne Pavilion which was constructed in 2012 and located in a highly visible and busy intersection at 200 Gravois Rd. This unique open air pavilion is 115' by 45' and is the trailhead for Great Rivers Greenway. The market is a prime spot for selling. We are open rain or shine and offer full season, half season and daily vendor opportunities. We invite new vendors to join our market each year and look forward to a fantastic 2016 season with more vendors, entertainment and special events. We welcome community service organizations, nonprofits, and local businesses to get involved with the market.

If you would like to become a vendor, please read the following rules and regulations and fill out the application. Market rules are found at www.fentonmo.org. A pre-season meeting will be held after all applications have been reviewed and vendors have been placed. We encourage you to submit your application early. Full season long vendors will receive a discount if paid prior to March 11th. We will keep the community informed thru updates at www.facebook.com/fentonfarmersmarket.
