

RESIDENTIAL SIGN PERMIT CHECKLIST

Complete These Forms

- St. Louis County / Municipal Zoning Approval for Permit Application
- Sign Worksheet

Present These Documents

- Five (5) copies of site plan that:
 - Is drawn to Scale (example: 1"=30'-0") and the scale indicated on site plan
 - Shows a north arrow
 - Shows the shape of the parcel and the parcel dimensions
 - Shows the street names abutting the parcel
 - Shows the shape of the main building and the building dimensions
 - Shows the dimensioned location of the main building on the parcel
 - Shows the parking spaces and indicates the handicapped parking spaces
 - If a multi-tenant building, indicates your proposed tenant space and dimensions
 - If a multi-tenant building, indicates how many square feet you occupy
 - Shows location of the proposed sign
- Elevation view, if applicable, showing the dimensioned sign location and dimensions of building face or applicable portion if multi-tenant building
- Approval from Building Owner
- Five (5) sets of construction documents that:
 - Show the dimensions of the sign
 - Show the wording and graphics on the sign
 - Indicate the colors used on the sign
 - Describe the materials, including material thickness of the sign face
 - Describe the flammability of materials used
 - Show the details of construction, including loads and stresses (for County)
 - Show the mounting details or anchorage.

Pay These Fees (due prior to processing)

- \$1.00 per square foot for each sign face (minimum fee of \$10.00 per face) plus a \$15.00 processing fee for each permit

Note:

See Chapter 485 of the Zoning Code for sign regulations

Next Step:

Once approved for zoning by the City of Fenton, pick up signed documents and submit to St. Louis County for building permits.
