CDBG FUNDS THROUGH THE HOME IMPROVEMENT PROGRAM

Mayor Maurath explained the U.S. Department of Housing and Urban Development (HUD) Community Development Block Grant (CDBG) program provides annual grants on a formula basis to entitled cities and counties to develop viable urban communities by providing decent housing and a suitable living environment, and by expanding economic opportunities, principally for low- to moderate-income persons.

Mayor Maurath noted for the record that the CDBG program is administered by St. Louis County and Fenton is allocated around \$20,000 a year. The money is used for home improvement projects for those individuals that qualify and are selected by St. Louis County. After a certain time if the funds are not used, the funds can go for Americans with Disabilities Act (ADA) projects throughout the City. Mayor Maurath further noted that the grant is administered through St. Louis County, so we do not know anybody that is involved or their finances.

City Administrator Nikki Finkbiner shared there were inquiries if in the past there were unused funds that the City was able to use toward ADA projects in the City. City Administrator Nikki Finkbiner stated in the past the funds have been fully expended through the program.
