

# CITY OF FENTON—NEWS & VIEWS

SEPTEMBER—OCTOBER 2015

## MAYOR'S CORNER

Dear Friends and Neighbors,

Well, the seasons are flying by quickly, and by the time you read this it will be fall. Fall seems to be most peoples' favorite season, with its brisk mornings and evenings, yet mostly warm days. But fall is a sure sign that winter will soon be with us. Now is the time to prepare for the harshness of the winter season.

It is the time to do some preventive tasks so you are not caught “in the cold” when the weather is bad and your unit does not perform. That old saying that “an ounce of prevention is worth a pound of cure” really makes sense in this instance. While an HVAC unit can go out at any time, checking it before it is in one hundred percent usage is a good idea. And if it is not going to make it through another season, remember that Ameren Missouri has several cash back rebate programs that are worth considering. Check online or with your preferred service company to determine the average life of a system comparable to yours. Rebates go from \$500 for central air conditioners to \$2,000 for geothermal systems. Visit their website at [www.ameren.com](http://www.ameren.com) and click on the “Save Money and Energy” tab for more information.

The bridge repairs on the east-bound lanes of I-44 at I-270 were completed – and were ahead of schedule. The west-bound repairs were to begin around Labor Day, but got a late start because of the rain. Weather permitting, the westbound lanes should be completed by the start of November. If you have questions regarding the project, visit the MODOT website at [www.modot.org](http://www.modot.org).

Budget Hearings for the City of Fenton will be held on Wednesday, October 21 at 6 p.m. at City Hall. I urge Fenton residents to attend a meeting such as this, or any aldermanic meeting, to familiarize themselves with the workings of their government.

In mid-August, I had a meeting with County Executive Steve Stenger and Council Member Colleen Wasinger. As a result of the meeting, St. Louis County has offered Fenton use of their Economic Development Department as we await Fenton Logistics Park.

I am President of the Fenton Community Charitable Association (FCCA) a community-based 501-C-3 organization. This group has been raising funds for local charities for the past fifteen years. Over that span, we have raised over \$350,000 which has been donated to a variety of charitable organizations in and around the Fenton community. We are having our annual fundraiser – dinner and silent auction – this year on the evening of Saturday, November 7, at Fabick Headquarters here in Fenton. The theme this year is “Casual with a Cause” – and is country-western in theme and dress. So wear your best blue jeans, pull up those boots, finish with your ten gallon hat, and join us for a great evening with a good cause. 100% of all proceeds raised this year will go to local charities and Veterans. Contact Ginny Goede at 314-660-3026 or [ggoede01@att.net](mailto:ggoede01@att.net) for more information.

Speaking of Veterans, I am delighted to be the Emcee of another Veterans' Day Breakfast and Program provided by the community. It again will be hosted by Delmar Gardens of Meramec Valley, here in Fenton. Last year we had a full house, and we are expecting a full house again! Reservations will be taken starting October 1, 2015, by contacting Delmar Gardens at 636-343-0016 or emailing [mmeyer@delmargardens.com](mailto:mmeyer@delmargardens.com). Only two hundred reservations will be accepted. This event is open to any in the community who want to show their appreciation to our Veterans, as well as to Veterans and their families.

Also, why not take time during this beautiful fall to walk the numerous trails in Fenton? What a great way to view the changing colors of nature!

If you have any questions or comments regarding the City of Fenton, please feel free to contact me at [mayormike@fentonmo.org](mailto:mayormike@fentonmo.org) or at 314-852-6112.

Your Friend, Mayor Mike

**A MESSAGE FROM FENTON FIRE PROTECTION DISTRICT**

We want to inform you of a new program we have implemented at the Fenton Fire Protection District that will enable us to be more prepared to take care of children ages 0-21 years old should an emergency arise. The program is called S.T.A.R.S. (Special needs Tracking, and Awareness Response System). Each child that is entered into S.T.A.R.S. has a form detailing his or her medical history, medications, allergies, baseline vital signs, baseline neurological status, and common medical emergencies that is kept in each ambulance. A number is assigned to each child that matches the form. Should you need to call 911, the caller gives the dispatcher the number which is then relayed to the responding ambulance. Having this information at hand can prove vital, especially when a regular caretaker is not present. Please contact us if you feel your child would be a candidate. Children who especially benefit are those with significant developmental delay, seizure disorders, cardiac history, cerebral shunts, tracheostomies, and any atypical diseases or syndromes. To enroll your child, a paramedic from the ambulance district will make an appointment to come to your home or you may come to the district to discuss your child’s needs, fill out the S.T.A.R.S. form, and answer any questions you may have about our services. At this time, if your child has any anxiety about the ambulance and would like to tour it or see any equipment, he or she is encouraged to do so. You may contact Chris McCarthy or Paul Seemayer for more information or to become a S.T.A.R.S. participant at 636-343-4188 ext. 137.

## ST. LOUIS COUNTY POLICE FENTON PRECINCT

### NATIONAL NIGHT OUT

It's time for Fenton's National Night Out! This year it will take place Tuesday, October 13th at Fenton's City Park Shelter #1 starting at 6:00 p.m. The Fenton Precinct, St. Louis County Police officers will supply Bar-B-Q, chips, drinks and frozen custard. Feel free to bring a side dish to add if you like. Everyone is welcome! The officers will be taking this opportunity to get to know the Fenton residents. The shelter has only 10 picnic tables, so lawn chairs are a good idea.

National Night Out is designed to heighten crime and drug prevention awareness; generate support for, and participation in, local anti-crime programs; strengthen neighborhood spirit and police-community partnerships; and send a message to criminals letting them know that neighborhoods are organized and fighting back.

The City of Fenton recognizes that many of its residents, businesses and civic organizations contribute in a significant manner to the City each day, without reward or recognition. To that end, the City has established a process that will allow for appropriate recognition of an individual, business or civic group, Board or Commission that has contributed a significant and useful service to the community.

Actions being recognized must benefit the City of Fenton or its residents in some manner. The individual must live or be employed within the Fenton City limits and the business or civic group must be located within the City limits.

To obtain a nominating form, contact City Clerk/Manager Diane Monteleone at (636) 343-2080. All nominations must be forwarded to the City Clerk/Manager at City Hall by September 30, 2015.
